Category: Carbon Tech Solution

Name: TiGraph Intelligent Knowledge Graph Platform

Company Info: Founded in 2015, Titanium Rong Intelligent Technology (Suzhou) Co., Ltd. is a tech service provider specializing in full-process risk control software solutions for financial institutions. Focused on intelligent decision-making, the company developed the TiGraph intelligent knowledge graph platform and holds multiple provincial and national certifications. Its team, from Tencent and China Construction Bank, serves industries including finance and manufacturing to drive digital transformation.

公司資料: 钛镭智能科技（苏州）有限公司成立于2015年，是面向金融机构提供全流程风控软件解决方案的技术服务商。公司以智能决策为核心，拥有自主研发的TiGraph智能知识图谱平台，获评多项省级及国家级资质。其核心团队来自腾讯、建行等知名机构，业务覆盖金融、制造等多行业，助力客户实现数智化转型。

Product Info: In hotel renovation projects, there exist issues such as inefficient information aggregation, difficulty in tracing construction acceptance records, and non-real-time progress monitoring. By leveraging the AI Agent collaboration platform, a complete closed loop of "front-end data collection - middle-platform problem classification - back-end solution implementation" is established, enabling full-process management and enhancing both efficiency and traceability.

產品資料: 酒店翻新中存在信息汇总低效、施工验收难追溯、进度监控不实时的问题。通过AI Agent 协同平台，打通“前端数据搜集-中台问题分类-后端落地解决”的完整闭环，实现全流程管理，提升效率与可追溯性。

Team Name (Eng / TC): PropBid Limited / 普比德有限公司

Category: Virtual Tech

Solution Name: PropBid Property Match

Company Info: PropBid is a premier matchmaking platform designed specifically for real estate dealmakers, including agents, family offices, and institutional investors. Unlike traditional listing sites that focus on public property advertisements, PropBid adopts an "agent-first" approach, connecting professionals based on real mandates and specific buyer briefs. Our platform utilizes a proprietary AI engine and NLP models to intelligently match supply with demand, enabling sellers to proactively initiate high-value, off-market, and cross-border deals.

公司資料: 普比德是一個專為房地產交易者（如代理、家族辦公室及投資者）打造的專業配對平台。不同於傳統僅展示房源的網站，普比德採用「代理優先」模式，專注於通過真實委託與買方需求進行精準對接。我們利用 AI 引擎與自然語言處理 (NLP) 技術，將用戶需求轉化為匹配標籤，讓賣方能主動發現並聯繫高價值的潛在買家，從而高效推動場外與跨境交易。

Product Info: PropBid Property Match is a professional deal-starting engine engineered to connect buyer-side actors with vetted seller-side mandates. The product addresses critical market pain points, such as the high noise levels in traditional communication channels and the lack of structured trust in off-market transactions. Powered by a proprietary AI engine and NLP models, the platform translates user requirements into smart search tags for precise demand-supply matching. To protect sensitive information, it features a structured trust system including digital NDA gating and blockchain-backed proof of interaction.

產品資料: 普比德物業配對是一款專業的房地產交易啟動引擎，旨在連接買方與賣方的核心代理與投資者。該產品針對市場中資訊雜亂、缺乏信任及場外交易隱私保護不足等痛點提供解決方案。核心功能包括：AI 智能匹配引擎，能將複雜的買方意向轉化為標籤，並

與驗證後的房源進行精準對接；以及結構化信任體系，通過數位 NDA 門控與區塊鏈技術確保交易的安全與可追蹤性。
